

Corporate Social Responsibility Policy

OCF Limited has instigated a Corporate Social Responsibility (CSR) Policy which runs hand in hand with our ISO9001 accreditation.

We believe it is our responsibility and duty to ensure we meet the expectations of our customers, employees, suppliers, the community and the environment.

We recognise that our social, economic and environmental responsibilities are integral to our business. We aim to demonstrate these responsibilities through our actions and within our corporate policies.

Purpose and Aims

The purpose of the policy is to make clear to all stakeholders what we mean by CSR and how we propose to work towards achieving it. The CSR policy applies throughout all of the Procurement Service and governs our approach to all our activities;

In implementing this policy, we aim to:

- Be responsible
- Be an exemplar of good practice

Standards of business conduct

- We recognise that good CSR embraces all aspects of sustainable development and the way we affect people through our business operations
- We will assess which social issues are of most relevance
- We shall operate in a way that safeguards against unfair business practices
- We believe that a responsible approach to developing relationships between companies and the communities they serve, global or local, is a vital part of delivering business success
- When carrying out our business, in consultation with our customers, we will determine the environmental, social and economic issues
- Our contracts will clearly set out the agreed terms, conditions and the basis for our relationship
